Sports Funding Action Plan 2020-21
Lansdowne Primary School

What is it?

The London 2012 Olympic and Paralympic Games was an opportunity to inspire the nation to enjoy a memorable cultural and sporting experience. The government is determined to secure a significant and lasting legacy from the games and to develop children's enjoyment of sport and physical activity from an early age. The Government recognises the impact and importance of this funding and this has therefore been doubled in 2017-18.

Accountability

Ofsted inspectors will consider "How well the school uses its Sports Grant to improve the quality and breadth of its PE and sport so that all pupils develop healthy lifestyles and reach the performances they are capable of."

How has this money been spent so far this year, and what else does Lansdowne offer in addition to Sports Premium funded activities.

The association of Physical Education statement

It is expected that schools will see an improvement against the following 5 key indicators:

- 1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles.**
- 2. The profile of PE and sport being raised across the school as a tool for whole school Improvement.**
- 3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.**
- 4. Broader experience of a range of sports and activities offered to all pupils.**
- 5. Increased participation in competitive sport.**

Multi Use Games Area Fencing	<ul style="list-style-type: none"> • Director of Finance to gain quotes and arrange installation. • Premises Team to oversee installation and timings. 	T2	£9054.30	<ul style="list-style-type: none"> • A space for PE lessons which require a field area or softer area to practice sporting skills. • All year-round access to carry out outdoor PE lessons. • Increased participation, wider variety of sports (that can't be played on hard surface). • The MUGA increases the engagement of all pupils in regular physical activity. 	To build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years. We are using the majority of this year's money to provide 'all-weather' space to increase the time children can play sports. This gives pupils the opportunity to develop other sporting skills in addition to those developed by the outdoor gym equipment.
Hill climbs which all year groups can use.	<ul style="list-style-type: none"> • Director of Finance to gain quotes and arrange installation. • Premises Team to oversee installation and timings. 	T2	£2325	<ul style="list-style-type: none"> • All year-round access to carry out outdoor activity. • Increases the engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school. 	To build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years. We are utilising a space which is not viable when the weather is poor. This gives pupils the opportunity to develop other sporting skills in addition to those developed by the other equipment installed in previous years as a result of the sports funding.
Physical Development area	Year 1 Phase Leader / Deputy Head / PE Lead	T2	£3284	<ul style="list-style-type: none"> • Outside space promotes physical fitness and increases concentration for academic learning. 	This will support both physical and academic development across the school day for groups of children in the school. • To provide another resource that helps children to engage children in physical activity and encouraging children to use the right and left sides of their brain.
