

Communication

Makaton

Makaton signing is used as a whole school approach. The symbols are around the school to help with communication by giving a visual extra cue to what is being spoken. We also have Makaton ambassadors who lead the learning of new signs in their classroom.

Cued articulation

Cued Articulation aims to help children form a visual picture of each sound which they can then remember and produce. The different types of visual Support used in Cued Articulation.

Language through colour (LTC)

Language through colour is a resource which uses a simple colour-coded system to help children to understand the meaning of words. This resource is widely used across the school in a variety of lessons.
